**Monthly Report of the Committee on Committees for March 2014**

This report details the Committee on Committees' activities since February 2014. The Committee on Committees released nominating petitions for the Spring 2014 Senate Election for 14 members-at-large. It also released petitions to instructional staff to request appointments to serve on standing committees of the Academic Senate.

Since December 2013, the chair of the Committee on Committees sent a series of emails to remind Senate members-at-large whose terms are expiring in April 2014, Department Chairs, and faculty that fourteen seats in the Academic Senate would be up for election this semester. Similarly the chair of the Committee on Committees sent emails to instructional staff, urging them to volunteer for service on standing committees of the Academic Senate. Department Chairs, and Senate standing committee chairs also received emails asking them to remind instructional staff to volunteer to serve on Senate standing committees.

**Nominating Petitions for the Spring 2014 Senate Elections**

The deadline to submit nominating petitions was noon on Monday, February 24<sup>th</sup>. This deadline was extended a few days due to the inclement weather in February. Ballots for the Senate Elections were distributed on March 4, 2014. On March 20, 2014, the Committee on Committees, Senate Technology Officer met to review the election results.

Twenty-eight candidates ran for seats in the Senate. Here are the vote counts and the winners of the fourteen members-at-large seats. Of the 354 faculty eligible to vote, 249 (70.34%) voted in this election.

### **Petitions to Select Assignments on Standing Committees**

The Committee on Committees reviewed petitions from instructional staff, and prepared and approved the ballot shown in Appendix A. This ballot will be submitted approval at the April Academic Senate meeting.

The number of people submitting petitions for assignments on standing committees fell dramatically despite repeated calls for volunteers. This is in marked contrast to recent years where many volunteers could not be placed on a committee. With the ballot approved by the Committee on Committees, no one has been assigned to more than one committee. And, no department has more than one representative on a committee. But, due to the low number of volunteers, no one was placed on the Committee on Ceremonial Occasions and there is an insufficient number of people who can be called upon to fill committee vacancies during the 2014-15 Academic Year. The Committee on Committees will issue a call to instructional staff to volunteer as alternates to the standing committee. These volunteers would fill committee vacancies as they arise during the 2014-15 academic year.

### **Committee on Committees Election at the May Academic Senate Meeting**

Here is the current membership of the Committee on Committees:

The terms of three members will expire in May: Eugene Harris, Richard Yuster, and myself. At the May meeting of the Academic Senate nominations for new Committee on Committees members will be accepted and a vote will be held.
