Report to the Academic Senate

March 29th, 2016

From: Dr. David Sarno, Chairperson of the Committee on Committees

To: Dr. Joel Kuszai, Secretary of the Academic Senate Steering Committee

Monthly Report of the Committee on Committees for March 2016

I. Academic Senate Roster

There were no changes to the membership of the Academic Senate in March 2016.

II. Standing Committees of the Academic Senate

There were no changes to the membership of the Standing Committees in March 2016. The Bylaws Committee still has a vacancy, which will be filled at the election of new committee members at the April Senate meeting.

III. Senate Elections

As detailed in the February 2016 report, nominating petitions were distributed to faculty and staff for the election of new Faculty and CLT Members-at-Large. The Senate consists of 41 Faculty Members-at-Large and 2 CLT Members-at-Large. 21 Faculty were nominated for 14 positions and 2 CLTs were nominated for one position, all of which will run through April 2019. 18 of 21 faculty candidates provided personal statements, which Joel Kuszai posted on the website. The election was conducted online from March 1 to March 15. The online system was managed by Jeffrey Schwartz (Senate Technology Officer) with assistance from Raj Vaswani (Information Technology).

248 (66.31%) of the 374 eligible faculty voted for Faculty Members-at-Large. The candidates with the top twelve votes all won Senate seats, as did the candidates with the 14th and 17th most votes. The candidates with the 13th, 15th, and 16th highest number of votes could not be seated because they come from the Departments of Biological Sciences & Geology and Nursing, which are both at their maximum representation on the Senate. They will instead be “alternates” and will join the Senate if someone in their department steps down early.

30 (68.18%) of the 44 eligible CLTs voted for CLT Member-at-Large.

The results of the Senate elections are tabulated below.

IV. Nominations to Standing Committees of the Academic Senate

Faculty and HEOs were invited to select the committees on which they would prefer to serve via an online system that was available from Feb. 10 through Feb. 24. CLTs were asked to indicate their preferences via email to the CoC Chair. The database was managed by Raj Vaswani and the list of eligible instructional staff was assembled by Debra DiBattista (Human Resources and Labor Relations). At least two reminder emails were sent out during the selection period. Several HEOs replied that they were not aware they were eligible to serve on Senate Committees, so a message was sent specifically clarifying the situation. 120 members of the instructional staff indicated their committee preferences (89 faculty, 29 HEOs, and 2 CLTs). There are a total of 129 committee seats, but only 47 open positions.

Following the online selection period, the preferences for each committee were examined by the CoC Chair and a master table was prepared. Candidates were eliminated from committee ballots if their Department was already represented on that committee. The CoC met on March 7 and made its first round of committee assignments. For each committee, the candidates' qualifications were considered, as well as the need for College service with respect to tenure and promotion. Adjustments to the ballot were made via email and at a second meeting held March 14. An effort was made to balance the distribution of candidates across departments. This became difficult with large departments outweighing small to mid-size departments. A ballot was eventually approved.

In accordance with Article VII, section 4a of the Bylaws, the ballot must be circulated to the instructional staff at least two weeks before the election. Further, additional nominations may be made by a petition submitted to the CoC Chairperson at least one week prior to the election. The ballot and the petition with instructions were circulated via email to faculty, HEOs and CLTs on March 28, in advance of the April 12 Senate Meeting. The Bylaws do not specify, so it was decided that instructional staff may only nominate themselves to one committee. If there are any additions, a revised ballot will be circulated at the Senate meeting. It should be noted that if self-nomination results in more candidates than open seats on a particular committee, the Senate will have to vote for individual candidates by paper ballot instead of voting electronically for that committee by slate.

Following the election, the CoC will maintain a list of instructional staff not placed on a committee. This list will be consulted to fill vacancies as they arise during the year. The CoC will also make suggestions to the Steering Committee regarding suitable Steering Committee Designees. The ballot and petition form are found at the end of this report.

V. Committee on Committees Election at the May Academic Senate Meeting

The terms of three members of the CoC will expire in May: Dona Boccio, Jeffrey Jankowski, and David Sarno. At the May meeting of the Academic Senate, nominations for new members will be presented, followed by a vote.

BALLOT FOR THE STANDING COMMITTEES OF THE ACADEMIC SENATE

Each year, one-third of the seats on each committee are up for election. **You are only voting for the new members of the committees.** These candidates are shown in bold type at the top of the ballot for each committee.

You may vote for the entire slate for all committees, or you may vote on each committee individually, either by selecting its entire slate, or by selecting specific candidates. Those elected will have a three-year term that ends in 2019.

In a few instances, someone has stepped down early, leaving a seat with a shorter term. The CoC randomly determined which candidates would receive the shorter terms.

	Place an "X" in this box to vote for the CoC slate for <u>all</u> committees.
	Or, you may vote on each committee individually by either selecting the entire slate, or selecting specific candidates.

2016-2019 Committee on Academic Development & Elective Programs (9 Members)

NOMINATION PETITION

**Election of instructional staff to the Standing Committees of the Academic Senate
2016-2019**

The Committee on Committees has prepared and distributed a ballot of new members to be elected to the Standing Committees of the Academic Senate. This election will take place at the April meeting of the Academic Senate. The Bylaws of the Academic Senate allow for additional nominations to be made by petition as described below:

Article VII, Section 4a. Nomination to all standing committees except the Committee on Committees shall be made by the Committee on Committees and shall be circulated to the members of the instructional staff at least two weeks prior to the election. Additional nominations may be made by a petition to be signed by seven (7) members of the instructional staff, and submitted to the Chairperson of the Committee on Committees at least one week prior to the election.

Members of the instructional staff who wish to be added to the ballot should select one (1) committee from the list of Standing Committees on the following page. Please note the following:

- Each committee may only have one member from any department or unit. Please review the ballot and the current committee rosters at <http://www.qcc.cuny.edu/governance/academicSenate/committees.html> before making your selection. If the committee you select already has a member from your department or unit with a term ending in 2017 or 2018, your petition will be invalid.
- If the CoC has already placed your name on a committee ballot, but you wish to nominate yourself to a different committee, you must request that your original nomination be rescinded by contacting the CoC Chair.
- Ballots with self-nominated candidates will require the Senate to vote for individual candidates, rather than for the entire slate.

We hereby nominate
