

Campus Culture:

Cultivate a Community of Care

Equity

Create a campus climate that is respectful, affirming and inclusive

Advancement

Provide high-quality career advancement opportunities for staff

Belonging

Promote belonging through the development of communication norms and an infrastructure to support community engagement

Transparency

Promote college-wide transparency

Curriculum and Instruction:

Become a Student-Ready College

Equity

Close equity gaps in retention and graduation rates

Engagement

Engage students through the use of culturally responsive pedagogy and curriculum, including High Impact Practices (HIPs)

Digital Culture

Leverage instructional and other technologies to facilitate effective teaching, learning and academic support services and increase access to these opportunities

Pathways

Strengthen transfer and career pathways

Student Engagement:

Reimagine the Queensborough Academies

Equity

Create belonging and community through welcoming and inclusive practices

Coherence

Provide students with a seamless pathway to graduation

Collaboration

Increase effectiveness of campus-wide student support through collaboration

Connection

Provide a meaningful and comprehensive model that provides students with a first-year experience and beyond that links curricula and co-curricula programming with career and/or transfer goals
